

How your MONEY HELPS

\$50

Helps train a GP to provide **optimal skin cancer detection**, treatment and prevention care to their patients.

\$110

Can provide **financial counselling** to help a cancer patient manage the cost of cancer.

\$300

Provides **80 people with a free copy** of the **Cancer Services Guide** to help them find the right support at any stage of their cancer experience.

\$500

Can provide a **workshop for patients** to help them transition from treatment to recovery and beyond.

\$1,000

Can help **provide equipment** for a **research team** who are working in a laboratory on a new cancer treatment.
